

January 10, 2008

Dear Student:

The East Cobb Business Association is an organization of leaders in the East Cobb area of Marietta and Metro Atlanta. We were founded in 1996 by local leaders who saw a need for an identity and community spirit in East Cobb. This is our eleventh year of offering information and networking to our business people.

In 2006, we presented our first \$1000 scholarship to a young woman who attended Walton High School. We are again looking for someone who will represent the high quality of students in East Cobb.

Please consider looking at the information enclosed and submit an application. The process is quite simple and we look forward to growing our presence in the community as well as supporting the education process of our youth.

Please follow the information provided and be sure to submit prior to February 29, 2007. Have a wonderful Thanksgiving Holiday and look forward to hearing from you in December.

Sincerely,

Rosan Hall
President 2006 / Scholarship Chair
